

SCHOLARSHIP APPLICATION

Name: _____

Address: _____

Email: _____

Phone: _____ Alternate Phone: _____

GPA Midstream Midcontinent Chapter strives to provide scholarships each year to help support students of local universities that are sincerely interested in the midstream industry.

Scholarship dollars may be awarded to college students who are in an engineering discipline, beginning their Junior or senior year at regional universities, are in good academic standing, and have interest in joining the midstream energy sector.

Funding for each year’s recipients is made possible by company sponsorships, donations, and fundraisers such as the annual golf tournaments and sporting clays events.

Scholarships will be allocated as directed by the Scholarship Committee, providing candidates are available, meet the criteria, and sufficient funding is available.

Please submit your completed **APPLICATION** and **TRANSCRIPT** to one of the following Scholarship Committee Members by **March 31**.

Chris Lindenberg, Chair Western Filter Co., Inc. clindenberg@westernfilterco.com	(918) 949-4455
Rachel Tripp, Co-Chair IPM Inc. RTripp@infinityPMinc.com	(918) 852-9825
Brian De Luca, Committee Member Energy Transfer Brian.deluca@energytransfer.com	(405) 556-2406
Alexandra McKinzie, Committee Member Williams Alexandra.mckinzie@williams.com	(307) 871-3569
